Ursel Rose went to Ogden Monday to consult Dr. Rich concerning his afflicted ankle. Tuesday he continued his journey to Farmington to visit with relatives and friends. While in Ogden he states the rain fell in such torrents that the streets were flooded with water making it necessary for the policemen to carry the ladies from one side of the street to the other. Mr. Rose gazed wistfully on for a moment and straightway went to police headquarters and made application to join the police force.

Monday evening the Garland Military Band presented David Dorton with the "Bass Drum." Dave seems to be as proud of his calling as an old hen with 'steak chicks. Some time ago he had his fortune told by Toney Levertis and was cautioned not to get the "big head." This new appointment may swell his head but it won't hurt the drum if he keeps it in a dry place. The next morning he gave the baby the drum-stick and his wife the butcher knife and went to work, leaving them to enjoy themselves, feeling satisfied that "round" steak or veal cutlets awaited him for supper. Never mind, Dave, "but-right-inside" and you'll win out.

Logan, May 30.—Joseph Morrell, president of Cache stake of the Mormon church, died at 5:15 o'clock this afternoon in his home at Logan, pneumonia was the direct cause of his death, following complicated nervous troubles of more than two years duration. About two months ago his condition became serious and for three weeks he had been practically exhausted and unable to resist the inroads of his disease. He has been in California twice in the hope of benefiting his health and each trip resulted in apparent benefit. Close application to business made it impossible for him to recover from pneumonia, which attacked him while he lay in bed.—Int. Mt. Republican.

A young Jap went into Boothe's store the other day, approached one of the lady clerks and asked in broken English for a pair of cuff buttons. The clerk, somewhat new and green, looked puzzled and asked the embarrassed Jap to please repeat, which he did. Brightening up she said: "O yes, I know, Cows Butter," and was about to trot off for a pound of this commodity when the poor, blushing Jap desperately yanked up his coat sleeves and showed the exceedingly clever little school-marm clerk, a pair of dinky old cuff buttons. She's from Missouri.

## Garland vs. Brigham.

Clouds dry your tears and give us an ideal day from sun to sun.

We take pleasure in announcing for the second time that the Garland team goes to Brigham Saturday (to-day) to cross bats with the county seat nine. The Brigham boys will be encouraged to day by the defeat they gave the O. S. L. team Wednesday.

Our boys must keep a stiff upper lip and go with the hope of turning the tables on them. Let us hope that to-day will be an ideal one till after the game, at least, as two disappointments within a week is sufficient to discourage a preacher let alone anxious base ball fans.

## Memorial Day.

Rain and mud put a damper on all plans arranged for the celebration of this holiday in our city. The base ball manager had to call off the game with Wellsville and the Young Ladies' association, who had made elaborate preparations for a grand ball and strawberry festival in the evening, were disappointed and postponed the event for some fair day in the near future.

The Garland Bank and a few of our business houses closed, but the majority remained open all day. Nothing doing, nothing done.

The young ladies disposed of a few cases of strawberries to the citizens and in the evening a dance was given at the hall by the orchestra. Strawberries and cream constituted the refreshments.

The Misses Leah Bush and Mahla Gann spent Sunday in Fielding.

Next week the Stohl Bros. Furniture Store will sell 4 best tin 6 quart milk pans for 25c.

Ezra Richards of Bear River stopped in Farmington last week on his way home after successfully undergoing an operation for appendicitis at the L. D. S. hospital.—Davis County Argus.

David Dorton leaves today on a bus-trip to Lehi. He will return Monday. During his absence Mrs. Dorton will visit her sister, Mrs. Chas. Bowen of Fielding.

A. R. Smith &amp; Co. have made some neat improvements in and around their butcher shop. Yesterday morning A. J. Hawks put up a nickel-plated meat rack from G. V. Brecht Butcher Supply Co., St. Louis, that is a credit to the firm.

The following program will be rendered at the conjoint session of the M. I. A. associations at the Amusement hall Sunday evening, June 3, 1906:

Opening Hymn, Prayer. Solo, "O, Ey Father," R. L. Bush. Short address, Music, W. J. Lewis. Instrumental selection, Jos. Kirkham. Solo, "Ben Bolt," Mrs. J. A. Wixom. Influence of Music in the Church and Home, Mrs. Lottie B. Smith. Trio, "Annie Laura," Mrs. Marie Wing, Miss Leah Bush and Mr. R. L. Bush. Closing Hymn, Benediction.

Our city shade trees are beginning to be an attractive feature of our growing city. We cannot do too much in encouraging our citizens to put out ornamental trees in front of their residences and these trees should be regarded and cared for in the best possible manner. We have noticed and corrected a number of boys for their wilful errors in cutting off the limbs of these trees to make paltry whistles. Nothing can improve the looks of our city faster and better than plenty of good ornamental trees. Take care of the trees, boys, don't cut or mar them to make a common whistle. If you need a whistle we'll buy you one and spare the trees.
